Our Journey

Founded in 2014, C & G Seals began as Baddi's first specialized pharmaceutical packaging manufacturer. Guided by Sunny and Ishan Khurana, we've grown into an ISO 9001:2015 certified brand known for quality, innovation, and customer-focused excellence.

01

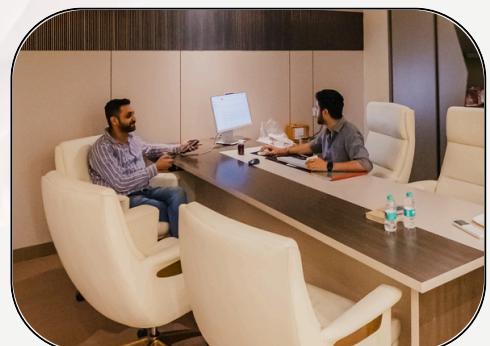

02

Product Development

Every product at C & G Seals is crafted with precision, using advanced technology and skilled expertise. Our in-house manufacturing ensures complete quality control, timely delivery, and innovative pharmaceutical packaging solutions that consistently meet industry standards and exceed client expectations.

03

Who We Are

More than a packaging manufacturer, we are a team built on commitment, care, and trust. From design to delivery, every process reflects our dedication to quality, efficiency, and doing what's right for our clients.

04

Our Commitment

We prioritize quality, durability, and customer satisfaction in everything we do. With prompt communication, on-time delivery, and advanced in-house manufacturing, we ensure reliable, innovative packaging solutions that meet industry standards and build lasting trust with every client.
